Motion to Appeal

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

Plaintiff(s)

Daniela Scollo

Case No.

04 C 6240

v.

Amount: 7 million Dollars

Defendant(s)

Mar's Snickers Bars

I am distressed the candy had been tampered with and I know. The company Mar's is against Health Codes and I was forced or unknowingly digested bacteria and other people's germs after touching the candy that is packaged and not refrigerated so the candy had no expiration date --
